

## Upper Murrumbidgee Demonstration Reach Adventurous Volunteer Program

Are you looking for a volunteer opportunity with a river adventure twist? Keen on helping improve habitat for native fish and other aquatic species like the platypus by paddling in to work sites and carrying out environmental weeding?

**Yes?** Then the UMDR adventurous volunteer program would like to hear from you!

The program will be holding trips in November 2018 and in Feb, March & April 2019. Training, paddle craft and tool kits will be provided by the program.

For a full program description and to register your interest please contact:

Antia Brademann (UMDR Facilitator)

mobile: 0429 778 633 email: [upperbidgeereach@gmail.com](mailto:upperbidgeereach@gmail.com)

This program is made possible thanks to funding by the NSW Fish Habitat Action grants
